#### ASSOCIATION OF GOVERNMENT ACCOUNTANTS OF WASHINGTON

Formerly FGAA

Founded September 14, 1950

P.O. BOX 423

WASHINGTON, D. C., 20044

January 2, 1980

The Honorable Admiral Stansfield Turner Director Central Intelligence Agency Washington, D.C. 20505

The Washington Chapter of the Association of Government Accountants (AGA) is announcing its 21st Annual Awards Program for Outstanding Achievement in the Improvement of Financial Management in Government Service. Through this awards program, AGA, the professional accountants' organization in the Government, seeks to stimulate interest in Government service and improvements in Government financial management.

It is again a pleasure for me to request your organization's cooperation in identifying Government employees who have made outstanding contributions during Calendar Year 1979 and we welcome nominations from your agency. The nominations should be sent to Robert Kessler, Chairman, Awards Committee, Washington Chapter, Association of Government Accountants, Post Office Box 423, Washington, D.C. 20044. Your existing awards program may be used, of course, in making nominations for these awards. The awards will be presented publicly at the regular meeting of the AGA in Washington, May 8, 1980.

The nominees in the Washington, D.C. Metropolitan area will be considered for both the Washington Chapter Award and the National organization's Distinguished Leadership Award. The nominees outside the Washington, D.C. Metropolitan area should also be submitted, but they will be considered only for the AGA's National Distinguished Leadership Award. The National AGA Distinguished Leadership Award will be made at the AGA National Symposium in Boston, Massachusetts, during June 16-18, 1980.

Nominations are due by March 5, 1980, and late submissions will be considered by the Awards Committee only if extenuating circumstances in the judgment of the Committee caused excusable delay. Brochures which describe the program and set forth criteria for nominations are enclosed. It is requested that these brochures be given the widest possible dissemination. Any questions concerning the program may be sent to the above address or discussed with Mr. Kessler (426-1306).

The cooperation we have received in the past from your office is appreciated, and we look forward to receiving those nominations which you feel qualify for the described awards.

Sincerely, yours,

Jean Kerr President
